EXPLANATION OF LISTING

The following list of students as of November 1, 1950, includes all students registered in the Colleges of Dentistry, Medicine, and Pharmacy, and the Graduate College of the University of Illinois' Chicago Professional Colleges. The information for each student is shown as follows:

Names

The Directory consists of one alphabetic list of names; the student's last name is shown first, then his given name, followed by his middle initial, if any.

College and Year

The college in which the student is enrolled and the year of work for which he is registered are shown in parenthesis immediately after his name. (M3), for example, indicates a third-year student in the College of Medicine. (See list of symbols below.)

Addresses and Phone Numbers

The first address under each name shows the student's Chicago, or "school," address. The streets listed in this address are in Chicago if no other city is named. The telephone numbers, which appear after the street address, are in the Chicago exchange if they consist of two capital letters followed by five digits (as LA 5-7211); suburban phones are written out in full (as Maywood 7217; Brookfield 4869; etc.).

Where a second address is given, it represents the student's "home" address, or the address of his parents. (The address is shown only once for students whose school and home address is the same.)

Key to Symbols

- *Indicates student is married.
- D.....College of Dentistry.
- Grad.....Graduate College.
- M.....College of Medicine.
- MI.....Medical Illustration.
- OT.....Occupational Therapy Curriculum.
- P.....College of Pharmacy.
- U.....Indicates unclassified student.
- 1, 2, 3, 4....Indicates course-year in which student is registered.
